MISSION:

To promote Teacher Education in Rural Area, to prepare student-teachers effectively to face the challenges of modern society.

VALUES:

Personality Development, Research Attitude, Social & Environmental Values Ethical Values, Self Efficiency, Women's Empowerment

Institutional History:

**Late. Shri. Bapusaheb Devidas
Vispute
Founder President**

The founder and Architect of Adarsh Educational Institution. Bapusaheb Devidas Vispute born on 11-09-1941, in Vispute family in a small village “MHASADI”. During his period there was no effective school in the village. He enrolled his name in Zillha Parishad School. He had a strong desire to take higher education due to financial difficulties; he could take education only up to S.S.C., L.D.C. This was often pinning to him that in spite of having capacity and caliber, he is deprived of higher education which in fact a fundamental right of every citizen of India. He thought and determined to do something in the education field and contribute to the community by opening schools and colleges in rural areas. He established “ADARSH SHIKSHAN PRASARAK MANDAL” He sowed a seed of education which has grown to a big tree like “A KALPVRIKSHYA”, having 48 branches all over Maharashtra State. His Motto is “YASHWANT VHA JAYWANT VHA

**Dadasaheb Dhanraj D. Vispute
President
Adrash Group of Institute**

Shri Bapusaheb D. D. Vispute College of Education has set up with the goal of ‘Preparation of effective secondary & higher secondary teachers, who are capable of responding to the changing needs and challenges of contemporary Indian Society. We want to develop the future generation of the rural area techno-savvy and scientific tempered. The management had made efforts for the all-round development of the students to face the current challenges of modern society. Our mission is to develop the personality of the students by making them not only “excellent professionals”, but also proud of “human values” and their heritage and culture, a scene of right and wrong and a desire for perfection.

**Smt. Sangita Dhanraj Vispute
Secretary Adrash Group of
Institutes**

Education is not just for employment. We have to train the individual with knowledge and wisdom to make them more useful for the society and Nation. Access to quality education for all and at all levels is equally essential to ensure inclusive growth and avoid any kind of discrimination. We always encourage innovation in education inside and outside the classroom. Emphasis will be placed on the overall development of student-teachers. A teacher should leave no stone unturned by growing students for the building of the nation. The teaching-learning process must revolve around the themes of peace, love, harmony and brotherhood that will transform today’s students into ideal citizens of tomorrow. It is worth mentioning the institution’s service in creating mature, professionally equipped and service-oriented teachers.

**Dr. Seema N. Kamble
Principal,
Shri. Bapusaheb D.D Vispute
College of Education, New Panvel**

We believe that education is an effective means of social transformation. We are encouraged by observing brilliant and successful careers for our thousands of students, who subsequently benefit society. We are proud to be part of such an excellent institution that is shaping modern India. Shri Bapusaheb D.D. Vispute College of Education, New Panvel, endowed with a progressive futuristic perspective, indicates a continuous growth in the quality of all academic activities with a sense of commitment to fully meet the expectations of students, parents and society in general it is well known that, quality teachers shape the nation, as stated by the Kothari Education Commission. With this in mind, a well-planned and systematically furnished infrastructure is built and students are provided with quality education. The institution offers students the opportunity to develop the knowledge, skills and attitude required for the teaching process. Along with academic opportunities, our students have the opportunity to develop their talents and skills through extracurricular and curricular activities.
