~ ABOUT ORGANIZERS ~

Adarsh Shikshan Prasarak Mandal, Navi Mumbai: The founder and architect of Adarsh Shikshan Prasarak Mandal Hon. Late Shri. Bapusaheb Devidas Vispute born on 11-09-1941. He established "ADARSH SHIKSHAN PRASARAK MANDAL" and sowed a seed of education which has grown to a big tree like "A KALPVRIKSHA", having 50 branches all over Maharashtra State. His Motto was "YASHWANT VHA JAYWANT VHA". It means "TAKE EDUCATION & GROW AND MAKE YOUR LIFE SUCCESSFUL".

Shri. Bapusaheb D.D. Vispute College of Education, Navi Mumbai: Shri. Bapusaheb D.D. Vispute College of Education is a co-educational college governed by Adarsh Shikshan Prasarak Mandal. It is recognized by NCTE through its regional committee, Bhopal and is affiliated to University of Mumbai. This institute was started under the guidance of Shri. Devidas D. Vispute (Founder President) with keeping a view in providing education to deprived students of rural area, and enabling to cope up global challenges. This challenge is passionately accepted and effectively established and presently run by Shri. Dhanraj D. Vispute and Secretary, Mrs. Sangita D. Vispute. Shri. Dhanraj D. Vispute is a Chairman of Adarsh Group of Institutes. The Secretary Mrs. Sangita D. Vispute is a Hostel Superintendent of Matoshri Kamalbai Vispute Working Women Hostel and Day Care Center (Patronized by Govt. of India) which is in the Adarsh campus.

About the NAAC: The National Assessment & Accreditation Council (NAAC) conducts assessment and accreditation of Higher Education Institutions (HEI) such as colleges, universities or other recognised institutions to derive an understanding of the 'Quality Status' of the institution, NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research, infrastructure, learning resources, organisation, governance, financial well being and students services.

About the Internal Quality Assurance Cell (IQAC): In pursuance of its Action Plan for performance evaluation, assessment and accreditation & quality up-gradation of institutions of higher education, NAAC proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system & work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

About the ONLINE Seminar: The government is responsible to bring quality in education by doing continuous research in every aspect of education. To ensure that a high-quality education is available to every child in the country, this seminar will help in analyzing the quality in Indian education scenario and research perspectives, particularly enrolment in higher education, with the help of various emerging trends in education. Using past data, forecasts have been made easy which may be useful for planning and decision making. The value of education in any society is uncontested in fact, its relevance in today's world is possibly far greater compared to most aspects of human life. During the last couple of decades the young talent is increasing but they are not able to judge their future because of many opportunities in front of them. This is making them go wherever they feel like but not in a correct direction. Educational institutions are facing new challenges resulting from technological driven changes in teaching and learning, globalization of higher education and changes in the economic climate. To take an informed choice in career selection it would be helpful to keep in mind the following emerging trends in education sector.

Objectives of seminar:

- To make higher education more reliable and accessible.
- To provide platform for new emerging trends and suggestions for quality in education & research.
- To reflect and meet the changing requirement of research paradigm.
- To lay down the foundation of quality in research education as per present scenario.
- To find path for digital technology in higher education and research.
- To identify the issues and challenges of quality in education & research.
- To develop new avenues of thoughts in higher education.
- To encourage Research & Innovations in higher education.
- To discuss the ways of prioritizing of the research agenda at higher education.
- To discuss the role of emerging trends in public and private educational sector.
- To discuss the role of centrally funded institutes in the higher education.

Sub themes of seminar:

- Patents and Copyrights in Education.
- Trademark's in Education.
- Role of technology in research plagiarisms.
- Quality challenges in research & innovations.
- Quality indicators in Education.
- E-content development.
- Functional perspectives on global education.
- Research for sustainable development.
- Teaching for entrepreneurship.
- Multimedia based educations & social media.

- Quality Assurance in higher education.
- Impact of Commercialization, Privatization, Globalization and Liberalization on Quality of Education in India.
- Digitization of Library.
- Role of Quality Assessment & Assurance Agencies in India.
- Also, any other title related to the main theme of the seminar is accepted.

Target group/ who should participate: Graduates and Post graduate students. M.Ed. / DSM / B.Lib./I.Sc. Students, Researchers, Academicians, Policy Makers, Scientist, Research Scholars, Government Functionaries, Corporate Managers/Executives etc.
